You may remember my speaking to you some-time ago, about the necessity of furnishing the recipients of Kangala Akkie at the Chattram with certificates in the form of "Descriptive Rolls" for the purposes of identification. The certificate forms have been printed, and I have asked the Dharmadarsis to prepare the statement of the Kangala Akkie recipients. They however require the assistance of the mutsaddis Kencadamaraya and Kencadasappa now working in your office to do the Copying &c and I have therefore to request you will kindly place the services of these ~~two~~ two persons at the disposal

His Rukkari No. 1340 dy 11th March 1898, reporting that the monthly expenditure on account of the distribution of Kangalara Ki in H.H the Maharaja's Chatram in Mysore, exceeds the sanctioned allotment, and requesting that the allotment may increased by Rs 200/- a month

---

Adverting to the above, has the honor to refer the Pala Controller to the rules issued un Govt Pro: No. 626-7 dy 14th Decem * Muzr.F. 57-93 1893 in regard to the object an management of the Kangala rakki Charity. Under these rules, the distribution of —

Kanjalarakki is intended solely for the relief of the deserving poor, and only to those who have been rendered destitute and unable to work for their livelihood by reason of physical infirmity, disability or similar other causes, can be granted Kanjalarakki from the Chathram Funds. And further in Rule 6 it was directed that all the existing recipients should be divided into 2 classes- viz-

(1) those that are deserving objects of charity, and

(2) those that are not,

and that steps should be taken for the elimination of the latter, and to confine the Charity to the really deserving. The Statement of the present recipients which was accordingly called for in this Office Rubkari No. 1147 dy 4th Feb 1898, has not yet been received. The Palace Controller is now requested to expedite the preparation and submission of the above Statement, in view to enable the Govt to pass early orders in the matter of the annual allotment for the Kanjalarakki Charity. Sir,

As requested in your No. as per margin, I have the honor to enclose a Kannarese list of the persons receiving grain doles (Kangalara akku) at the Maharajas Chatram at Mysore.

2. It will be seen that about 50 per cent of the recipients are the families of deceased superannuated servants of the Palace, who have been granted in past years on the chatram establishment in lieu of pensions, and they seem to have a prescriptive right to the continuance of these allowances from the length of their duration. It is not easy to devise a method for eliminating such items, without otherwise providing for them. No fresh cases are now allowed.

3. The remainder are the indigent, destitute, deformed and incapable poor of the city. It may safely be asserted that nearly all of them are deserving, and I do not anticipate many cases in which the grain doles may be conscientiously withheld even after a close scrutiny.

4 When vacancies occur by death, &c, more care will be exercised hereafter in taking on fresh cases

5. It is said that some of the persons on the Kangalara list also derive help from Prince Gulam Mahamads' Fund; but not being a member of that charity, I am unable to verify this statement. If the Palace Controller is also made a member for this a Enumeration it may be possible to prevent undue payments from both sources

6. In conclusion, I beg again to c the necessity for the additional grant of 200/- already applied for, as I have had the unpleasant duty of refusing a large number of deserving objects whom the prevailing hard times are driving to seek public charity.

I have the honor to be,
Sir,
Your most obedient Servant.

To The Palace Controller

My dear

Re ~~your letter No 26 of the 19th instant~~ the feeding of ~~certain~~ Sanskrit Students in the Maharajas Chattram.

When your first letter on the subject was received the Dewan desired to be disposed to do something for these ~~Students~~ but he has ~~not yet passed any definite~~ left no definite orders. On his return from Calcutta, I will take the earliest opportunity to submit the papers and obtain definite orders. In the meanwhile, I shall thank you to pay at your earliest convenience one or two surprise visits to the Chattram and see whether the feeding there is strictly confined to bona fide travellers or whether any local men or other people more or less undeserving are also admitted there as before.

With regard to Kangalarakki Charity the idea now is to convert the allowance in Kind into Cash payments. In such a commutation, it is advisable that we too adopt the same rate as has been fixed in regard to the Prince Sultan Mahomed Charity Fund which you know is Rs 3 a month.

Yours

To,

Mysore

Sir,

Adverting to your Rubkari No. 45 of 27th Jul 1900 regarding the "Kangalarakki Charity" attached to His Highness the Maharaja's Chattram at Mysore, the Dewan observes that so long as this Charity continues to be distributed in kind, as it has hitherto been, it is undesirable to reduce the quantity given to each individua because prices have gone up

I am accordingly to request that the full quantity granted to ea

individual, may
continue to be distributed
until the present rice
grants are all commuted
into cash payments
which will be done at
a more favorable season.
Any amount required
in excess of the present
monthly allotment
of Rs 750-, consequent
on the rise in the market-
price of rice at this
season will be separately
sanctioned on submission
of a bill at the close
of every month.
2. I am further
to request that a
nominal statement
of recipients now on
